GHP-220X
Noise-Isolating Earphones

Genius presents its latest in-ear headphones GHP-220X, to provide solid bass sound and reduction in ambient noise. Its lightweight, low-profile shape with optimized angle is designed to rest comfortably in your ears. Three sound isolating sleeves ensure a perfect fit so you can listen to your favorite music without any background noise. GHP-220X works with any iPod, iTouch, iPhone, mp3 player, portable audio device or laptop. Available in two colors: black or white. Contact your sales representative for more information.
